

Dear seminary friends,

The Mount Sinai Health System in NYC is receiving applications for our Winter CPE program. Students may apply for programs at either Mount Sinai Hospital (MSH) or Mount Sinai Beth Israel (MSBI). Details may be found on our web site here: <http://www.mountsinai.org/patient-care/spiritual-care-and-education/clinical-pastoral-education>

We will offer an exciting new hybrid program this year at MSH that includes on-site supervision in addition to supervision via webcam. This may be beneficial for students who have a limited schedule and who prefer to use technology. Alternatively, for students who prefer a more traditional approach to CPE our MSBI CPE program will offer a high quality experience of onsite face-to-face supervision.

Please spread the word among your students. And if you have any questions please feel free to email me.

Thanks,
David
