

Reverend Andrew Sioleti DMin, BCC

Association of Professional Chaplains
Father Andrew Sioleti DMin, BCC, an ordained Roman Catholic priest since 1984, is an ACPE certified educator. He has worked as Pastoral Care Director and CPE Supervisor at Cabrini Medical Center and since 1990 as Chief of Chaplains and CPE Supervisor at the Veterans Administration's New York Harbor Health Care Center. That same year he was certified as a CPE supervisor. He is a licensed social worker and therapist. Father Sioleti has been involved in the NACC's Certification Commission and Appeals Committee. He also serves as Board Member and Accreditation Commission Site Visitor of the USCCB/CCA. Father Sioleti is currently the certification chair for the National Conference Veterans Association of Catholic Chaplains.

Mary T. O'Neill

CPE Educator, NACC President

Mary T. O'Neill received a BA from Loyola University in 1969, a MA in Religious Studies from St. Louis University and Doctor of Ministry from NY Theological Seminary in 2007. Her career spans thirty plus years as a Clinical Pastoral Educator, certified by Association of Clinical Pastoral Education (ACPE). Her experience includes conducting nationally accredited programs, following the ACPE Standards. Mary T. serves as an Accreditation reviewer and has conducted site visits for Clinical Pastoral Centers to review their adherence to Standards and Curriculum. Mary T. served on Standards Committees and Certification Commissions for the National Association of Catholic Chaplains (NACC) and currently serves as President and Chair of the NACC Board.

Father Sioleti and Mary T. are committed to TCC's inclusive environment that is open and dedicated to providing care to individuals of all faiths, traditions, cultures and spiritualities.

CLINICAL PASTORAL EDUCATION

What is Clinical Pastoral Education?

Clinical Pastoral Education (CPE) is clinical training and experiential theological education designed to improve the quality of pastoral care offered by spiritual caregivers of all faiths and levels of experience. Our program uses a reflection-action model of learning that integrates components of direct spiritual care, personal and theological reflection, supervision, peer review and supportive group process. As a student in our program, you will become a part of an interdisciplinary care team that serves our diverse population of residents and their loved ones. This direct service facilitates the application of learned theory and your own personal and pastoral and personal experiences as you minister to residents, families, and staff.

How can CPE benefit you?

Through CPE, you will gain clinical skills that are applicable to any ministerial setting. After completion of four units, you will also be eligible to apply for board certification with the National Association of Catholic Chaplains or other faith certifying associations. Other placements within the ArchCare system may be available. ACPE-CPE training is recognized as a standard for chaplaincy world-wide.

CPE PROGRAMS OFFERED

ArchCare is accredited by ACPE as a satellite of Calvary Hospital to offer Level I and II, and Supervisory Education. One unit of CPE is 400 hours: 300 are direct ministry on assigned resident units or with group programs. Weekday & weekend shifts are available. The remaining 100 hours include instructional and peer group processing. We offer a full-time, Level I and II summer unit from May 2018 through July 2018.

Why choose ArchCare at TCC?

Since 1978, ArchCare at Terence Cardinal Cooke Health Care Center (TCC) has delivered exceptional long term and rehabilitative care and other vital health services to people with diverse needs.

The Center's professional Care Members recognize the individuality of each resident. They are dedicated to providing a nurturing environment that enhances residents' dignity and independence and improves the quality of their lives.

Our 615 bed facility is dedicated to caring for the whole person; body, mind and spirit.

We provide quality skilled care including:

- Long-Term Geriatric Care
- Innovative HIV/AIDS Care
- Exceptional Huntington's Disease Care
- Specialty Hospital for Children and Young Adults
- Short-Term Rehabilitation

About ArchCare

ArchCare, the Continuing Care Community of the Archdiocese of New York, provides top-quality healthcare and other services to thousands of people each day through an ever-expanding array of home and community-based and residential care programs.

As one of the largest and most dynamic Catholic health systems in the nation, ArchCare caters not just to the physical health of those we serve, but to their emotional and spiritual well-being.

How to Apply

We invite applicants who are spiritually and emotionally mature, able to utilize supervision for growth, and who desire to learn the art of pastoral care in a clinical setting. You must be from a recognized faith tradition.

Download an application from www.acpe.edu and email to: Kathleen T. Ullmann, BCC ktullmann@archcare.org

Accredited as a satellite of Calvary Hospital by: Association for Clinical Pastoral Education, Inc.
