**BIOGRAPHICAL STATEMENTS
ACPE Educator & Director of Department**

Reverend Eddie Lopez, Director, Spiritual Care Department and ACPE Candidate Educator

Eddie joined the Spiritual Care Staff at Greenwich Hospital as Director in 2009. He holds a B.S. in Theology from Nyack College, a Masters of Divinity from New York Theological Seminary and a Masters in Sacred Theology from Union Theological Seminary. He is certified by the Association of Professional Chaplains. He is currently a licensed psychotherapist candidate in psychoanalysis at the Washington Square Institute. He is also training as an ACPE Supervisor. An Episcopal Priest, he has served as a chaplain both in prisons and hospitals, served as a pastor/priest in churches in New York, Pennsylvania and Connecticut as well as a Program Director with several national and global church agencies.

Reverend Carlos Alejandro, ACPE Educator

The Rev. Carlos Alejandro oversees the ACPE Program at Greenwich Hospital including the supervision of Eddie Lopez. Carlos brings extensive experience in pastoral care and in clinical pastoral supervision in both traditional as well as in challenging venues. Currently he is the CPE Educator for Calvary Hospital. The founding director of North General Hospital's Department of Pastoral Care & Education, Carlos also created and led Harlem's Outreach Program for Emergencies, (The HOPE Team). The HOPE team was a faith-based Critical Incident Stress Management (CISM) team based in Harlem. A Board Certified Chaplain with the Association of Professional Chaplains, Carlos served as a corrections chaplain at Riker's Island Central Punitive Segregation Unit and at the Manhattan Detention Center, known as "The Tombs". A former journalist, Carlos received an MS degree from Columbia University's Graduate School of Journalism and a Master of Divinity degree from NY Theological Seminary. He is ordained by the Christian Church (Disciples of Christ), and lectures on Afro-Caribbean Spirituality and Pastoral Care, Spirituality and Trauma, and on Cultural Issues in End-of-Life Care.
