

Clinical Pastoral Education

Vassar Brothers Medical Center has Clinical Pastoral Education openings for the 2019 summer and fall programs.

Clinical Pastoral Education provides you the opportunity to deepen your pastoral skills. Working with chaplains, clergy and medical professionals in a warm and supportive environment, you will be able to bring spiritual care to a diverse patient population.

We welcome applications from seminarians, clergy, deacons, lay ministers and others who would like to learn the skills required to offer interfaith spiritual care.

Tuition for either program is \$625.00 per person. This includes a ticket to cover your meals on clinical days.

For more information, please contact Rabbi Neal Loevinger, Director of Spiritual Care, at **845.483.6644** or via email chaplain@health-quest.org

Summer Unit

Dates: Offered May 28–August 9
