ACPE-CPE Programs offered

ArchCare is accredited by ACPE as a satellite of Calvary Hospital to offer Level I and II. One unit of CPE is 400 hours: 300 are direct ministry on assigned resident units or with group programs. Weekday and weekend shifts are available. The remaining 100 hours include instructional and peer group processing.

CPE students join interdisciplinary teams and provide multi-faith religious/spiritual care to diverse inpatient/outpatient patients and their loved ones. This direct service facilitates the application of learned theory/academia and personal/pastoral experiences as students' minister to patients, families and staff.

Clinical Pastoral Education (CPE) is experiential theological education designed to improve the quality of pastoral care offered by spiritual caregivers of all faiths and levels of experience. Our programs use a reflective practice model of learning that integrates components of direct spiritual care, personal and theological reflection, clinical supervision, peer review and supportive group process.

Why choose ArchCare at TCC?

Since 1978, ArchCare at Terence Cardinal Cooke Health Care Center (TCC) has delivered exceptional long term and rehabilitative care and other vital health services to people with diverse needs. The Center's professional staff recognize the individuality of each person in their care. They are dedicated to providing a nurturing environment that enhances residents' dignity and independence and improving the quality of their lives. This ACPE-CPE program operates as a satellite of Calvary Hospital, another health provider in the ArchCare system.

The TCC 615 bed facility is located in a historic building overlooking Central Park's Conservatory. TCC provides compassionate and skilled care to people of all faiths, backgrounds and financial means. Clinical services include HIV/AIDS, Huntington's disease and comprehensive medical and skilled nursing care to children and young adults with profound neurological impairments and other complex medical conditions.

How to Apply

We invite applicants who are spiritually and emotionally mature, able to utilize supervision for growth, and who desire to learn the art of pastoral care in a clinical setting. You must be from a recognized faith tradition.

Our admission policy accepts candidates on a rolling basis. Admission is closed once the class is filled. Application deadline is September 15, 2021.
