

SLUHN is excited to announce expanded opportunities in our innovative Clinical Pastoral Education program. And we are thrilled to welcome **Rev. CB Stewart** to our team as a Certified Educator Candidate. CB will be running Summer and Extended unit programs, with students placed throughout the Network, and at **St. Luke's Penn Foundation**, where we will continue the proud heritage and legacy of CPE at this renowned community mental health treatment center in Bucks County.

Applications are being accepted for our:
2022 Summer Unit – May 23-Aug. 2
2022-2023 Extended Unit – Oct. 17-April 28
2022-2023 Residency – Aug. 31-Sept. 5

Our Residency Program offers:

- Four full-time positions
- Competitive stipend of \$36,600 and benefits: health insurance, holidays, paid time off, and employee wellness and mindfulness programs
- A healthy work/life balance based upon a culture of safety
- Organic food served in our cafeterias, an employee CSA program through local farming partnerships, and an on-site farm at our Anderson Campus;
- A positive educational environment with integration in multi-disciplinary care teams: Level I & II Trauma, Intensive and Critical Care, Palliative Care, Hospice, Oncology, Behavioral Health, Neuroscience/Stroke, Cardiovascular and Pulmonary, PICU and Pediatrics.
- A place at the table in Spiritual Care alongside seasoned staff chaplains and community clergy who serve as Associate and Crisis Response chaplains, where our care is focused on patients, families and staff with 24/7 coverage.

Our ACPE-accredited CPE center is located at our St. Luke's University Hospital, Bethlehem Campus, with the Lewis Katz School of Medicine at Temple University, and the St. Luke's School of Nursing, the oldest continuously-running nursing school in the country. SLUHN is a non-profit, regional, fully integrated network providing services at 12 hospital campuses and multiple clinical sites, with CPE clinical placements also at our Anderson, Allentown, Upper Bucks, Monroe, Warren NJ campuses.
