

CPE PROGRAMS

NYU Langone Medical Center is rated among the top 10 hospitals nationwide. Our Clinical Pastoral Education program provides students an opportunity to train as spiritual care providers in a dynamic professional environment, caring for a culturally rich and religiously diverse population.

2016–2017 Extended Unit

(October 19 2016 to May 2 2017)

The Extended unit is a part-time program designed for those whose availability is limited by other commitments. Applicants include: Clergy seeking continuing education, seminarians, qualified lay persons, those discerning healthcare chaplaincy as a vocation.

2017 Summer Unit

(May to August 2017) – Exact Dates TBD

The Summer Unit is a full-time program designed for seminarians and others actively involved in education for ministry.
